MEMORANDUM FOR THE RECORD

SUBJECT: Declassification

1. At Mr. Richard Lehman's request -- made on behalf of the Senate Select Committee Staff -- I reviewed the attachment to Mr. William G. Miller's 18 February 1976 letter to me, i.e., the three-page document entitled "Draft Section on 1970 Cambodian Estimates."

2. Specifically, I examined the quotations made from the ONE memorandum of 17 April 1970 and the draft SNIE 14-3-70. Based on this review it was my decision that these particular extracts and quotations would compromise no current sources or methods and, hence, could be declassified, i.e., we would pose no objection to the SSC Staff's using these extracts in an open report.
